A few words from Janette..

Hi everyone, I hope you are well.

Firstly, I would like to thank those who completed their questionnaire. These are very helpful to us and we share them with our care inspector who uses them as part of his inspection process.

The questionnaires also allow us to know what's good within the service and where we can make changes to improve HSLs.

Most of you will be aware that Alan Moir our care inspector, spent four days last week in our service. He visited many of you in your home and he was very impressed. He also had the opportunity to chat to others who just popped into the office.

Alan would like me to thank you for taking time out of your day to spend with him. I am meeting with Alan soon for feedback from his visit, so I will update you all in due course.

Well it's nearly time to get our glad rags on for our annual **Summer Ball** and before we know it, we will be donning our fancy dress costumes for **Music on the Green**.

I look forward to seeing you all soon!

Janette

SUMMER CRAFT IDEAS

Turn ordinary flower pots into fairy houses for your garden!

- Start by cleaning and drying your terracotta flower pot.
- Then, flip the pot upside down so this can become the base of your house.
- Paint it in bright or pastel colors, and you can even make clay bugs to add on.
- Use a smaller brush/acrylic paint pens to add details like doors, windows, flowers, or even tiny bees and mushrooms.
- Once everything is dry, seal with a clear outdoor sealer if you plan to place them outside.

Why not add a saucer on top for a "roof" or place a small plant or flowers in the top opening for extra charm! Don't worry about perfection, just have fun decorating!
